Engine type	Honda GC 190
Cylinder capacity (cc ³)	187
Weight w/o accessories (lbs)	75
Dimensions (L x W x H) (inch)	22x23x35

Details

Description

The G 3050 OH is a compact powerhouse generating 3000 PSI, more than 60 times as much pressure as a typical garden hose. Featuring an uncluttered design with easy access to the engine and pump, this unit offers unrivaled ease of use. The G 3050 OH sports many industry-leading features, including a chip-resistant black crinkle finish and an ergonomic frame with 10" pneumatic tires and metal wheels. As with our other G-series pressure washers, the G 3050 OH uses technology borrowed from our successful line of commercial products, including a commercial-grade pump with brass pump head developed exclusively by our German engineers. (The same pump technology was used by Kärcher to clean the presidential faces on Mount Rushmore.) The G 3050 OH is equipped with a reliable, easy to start 187cc HP Honda GC 190 engine and a full set of our patented Pro-Style nozzles. A full line of accessories is available to further enhance the capabilities of this exciting new pressure washer. Elevate your level of cleaning today with the G 3050 OH from Kärcher!

Accessories

Special applications

Set of 5 Quick Connect High Pressure Spray Nozzles

Set of 5 Karcher quick connect high pressure spray nozzles. Use to replace damaged nozzles or to upgrade to a complete set. Includes 0° (red, stainless steel, concentrated pencil jet), 15° (yellow, stainless steel, high performance), 25° (green, stainless steel, multi-purpose), 40° (white, stainless steel, sensitive surfaces) and 65° (black, brass, low pressure detergent application) nozzles. Fit Karcher gasoline pressure washers with quick connect fittings with a rating of 2600 PSI to 3200 PSI.

Order number 2.640-849.0

Spray lances

DirtBlaster™ Rotary Nozzle

Karcher's patented Dirtblaster™ nozzle provides large area coverage with almost the same cleaning power as a solid pencil jet! This is achieved by a high-pressure pencil jet rotating at approximately 4,000 RPM, which increases the effective cleaning pressure of your pressure washer by up to 50%! Unsurpassed at removing stubborn dirt and solvents! (Warning: Not recommended for delicate or painted surfaces). Includes pre-assembled Quick Connect adapter. Fits Karcher gasoline pressure washers with a rating of 2600-3600 PSI.
