

15" WHIRL-A-WAY

MODEL: 85.403.000

WORKSHOP

SERIES

FEATURES

- **One of the best attachments** for a pressure washer to clean large flat surfaces. The two rapidly spinning jets create a large, streak-free cleaned path greatly reducing the time and effort needed for projects such as driveways and sidewalks.
- **Quickly connects** to the end of the spray gun wand.
- **The power** of the spray nozzles combined with the lightweight design results in a hovering effect making the surface cleaner easy to work with.
- **Bristle skirt** keeps debris and overspray contained.
- **Quick connect** fitting in the end of the trigger gun quickly connects to the high-pressure fitting on the whirl-a-way.
- **ABS Polymer housing** resists impacts, protects the rotary arms and keeps weight minimal.

Optimize your Surface Cleaner by ensuring it has the right spray nozzles for your pressure washer by following these steps:

- Check the orifice size of the spray nozzles that came with your pressure washer. It will be the last three digits stamped into the spray nozzle body.
- Divide the number on the nozzle by the number of nozzles on the whirl-a-way. Eg, 030 spray nozzle/2 = 015.
- Select a spray nozzle that is closest to the number.

COVER

MATERIAL:	ABS POLYMER
DIAMETER:	15"
SPRAY NOZZLES:	2
NOZZLE ORIFICE:	015
NOZZLE THREADS:	1/8" NPT

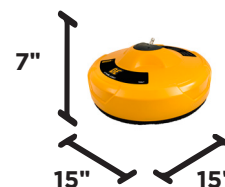

PERFORMANCE

MIN PSI:	1,500
MAX PSI:	3,500
MIN GPM:	1.4
MAX GPM:	3.0
MAX TEMP:	82°/180°F

BOXED SIZE

LxWxH:	17" x 17" x 7"
WEIGHT:	9 LBS

UNIT SIZE

UNIT WEIGHT: **8 LBS**

WARRANTY

DURATION:	90 DAYS
UPC:	777897334175
