

Big Power for Any Location!

The Campbell Hausfeld gas powered commercial pressure washer (PW340200) uses a premium tri-plex piston pump and Kohler CH270 engine to produce top performance. Ideal for heavy-duty jobs like cleaning RV's, boats, cars, outdoor equipment, patio furniture and more! This unit is built on steel welded frame that is powder coated for durability. The axial pump is designed for prolonged product life. The pressure washer gun features a trigger locking mechanism to prevent accidental trigger pull and added safety. 10 inch pneumatic wheels enable the unit to be moved from job to job easily.

Designed with you in mind

The portable PW340200 is ideal for those tougher jobs like cleaning RV's, boats, cars, outdoor play equipment, patio furniture and more

- **Locking Trigger Gun**
Allows for easy locking of gun to prevent accidental trigger pull
- **3400 MAX PSI**
Cleans faster and uses less water than a standard garden hose
- **Powerful 208CC Engine**
Reliable Kohler engine that is tough enough for any job
- **Longevity**
Tri-plex pump designed for long product life and higher pressure
