

A Powerful Clean With NO Leaks!

The Campbell Hausfeld 1500 PSI Easy Connect® electric pressure washer (PW150100) makes fast and easy work of all home and light duty cleaning projects. A portable and reliable washer for tackling that house siding, car or deck that's been needing attention. It's also lightweight, compact, and can be stored away easily. On-site storage—

Convenient storage for accessories and hose. Variable and detergent nozzles included. Clean all kinds of surfaces – our EASYCONNECT™ tight connection points allow for easy changing of accessories and seamless switching between applications. 1500 Max PSI

Designed with you in mind

The portable PW1501 is ideal for all home and light duty cleaning projects

- **EASYCONNECT™ Technology**

Tight connection points allow for easy changing of accessories and seamless switching between applications

- **1500 MAX PSI**

Cleans faster and uses less water than a standard garden hose

- **Convenient Storage**

Keep track of all accessories. On-site storage helps prevent accessories from getting lost.

- **Easy to Store**

With a smaller product footprint, this unit can be tucked away in a closet, car trunk, basement, garage, or other small spaces.
