

## Heavy Duty Power for Heavy Duty Cleaning!

The Campbell Hausfeld gas powered commercial pressure washer (PW420400) uses a premium tri-plex piston pump and Kohler CH440 engine to produce top performance. Ideal for heavy-duty jobs like cleaning RV's, boats, cars, outdoor equipment, patio furniture and more! This unit is built on steel welded frame that is powder coated for durability. The tri-plex piston pump is designed for prolonged product life and higher pressure volume. The pressure washer gun features a trigger locking mechanism to prevent accidental trigger pull and added safety. 12 inch pneumatic wheels enables the unit to be moved from one job to another easily.

### Designed with you in mind

The portable PW420400 is ideal for those tougher jobs like cleaning RV's, boats, cars, outdoor play equipment, patio furniture and more

- **Locking Trigger Gun**

Allows for easy locking of gun to prevent accidental trigger pull

- **4200 MAX PSI**

Cleans faster and uses less water than a standard garden hose

- **Powerful 429CC Engine**

Reliable commercial-grade engine that is tough enough for any job

- **Longevity**

Tri-plex piston pump designed for long product life and higher pressure
