

with **EASYCONNECT™** technology

No Leaks, No Tipping, Lightweight and Portable

A portable and reliable washer for tackling that house siding, car or deck that's been needing attention. The PW1350 makes fast and easy work of all home and light duty cleaning projects. It's also lightweight and low to the ground, and ergonomically designed with foot pedal activation.

With the PW1350, your customers can:

- Assemble their washer effortlessly – with *tool-free assembly*, the PW1350 is ready to use right from purchase.
- Activate with a simple press of a pedal – our *ergonomically designed on/off foot pedal* activation saves your customers from having to bend down.
- Clean all kinds of surfaces – our **EASYCONNECT™ connection points** prevents leaks, and allow for easy changing of accessories and seamless switching between applications.
- Keep track of all accessories – *convenient on-site storage* helps prevent accessories from getting lost.
- Store their washer almost anywhere – with a *smaller product footprint*, PW1350 can be tucked away in a closet, car trunk, basement, garage or other small space.
