

G 2500 DH

Gasoline Pressure Washer

KÄRCHER
makes a difference

Performance **P** Series

PROFESSIONAL RESULTS — MADE EASY

2.4 GPM
2500 PSI

When we started the design process for our **NEW Performance Series** line of gas pressure washers we had one person in mind — you. Our Performance Series models come with many advanced features, providing an unsurpassed user-friendly experience. The **G2500 DH** comes equipped with a patented Kärcher direct drive pump and is powered by your choice of either a Kärcher OHV **KPS** Series or Honda engine. Come experience the Performance Series line of gas pressure washers today and see why Kärcher makes a difference — for you.
