Electric Pressure Washer

KÄRCHER®
makes a difference

The brand new **"Follow Me"** electric pressure washer is equipped with four wheels... saving time by eliminating the need to constantly move the pressure washer while you clean. This light weight, yet powerful unit, delivers up to 30X the pressure of a garden hose while using up to 80% less water. The trigger gun features a total stop function, meaning the motor only runs while you spray, reducing noise and power consumption.
