

- ✓ 2-in-1
- ✓ Versatile in use
- ✓ High precision rotor arm/rotor unit
- ✓ High quality swivel or toggle swivel
- ✓ Easy flip function

The Mosmatic Hurricane Flip can be used as surface cleaner and underbody wash, all in one unit. Thanks to the low profile, the vehicle does not need to be lifted on a platform to be cleaned. The Hurricane Flip is time-saving, cost-efficient, and can be operated with cold and hot water.

TECHNICAL DATA

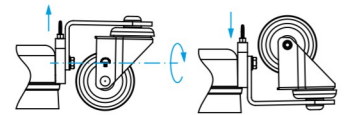

Pressure 4000 psi
Temperature 250°F
Inlet 3/8" NPTF

FEATURES

Flip function

Effortless turning of the wheels / 2-in-1 function. The Hurricane Flip can be converted from a floor cleaner to an undercarriage cleaner in just a few simple steps.

Part No. 80.9030 \varnothing 12" Part No. 80.9045 \varnothing 21"

HURRICANE FLIP \varnothing 21" FEATURES

High quality swivel

DYF swivel with reinforced, self-lubricating stainless steel ball bearings and a carbide sealing system for high speed rotation.

Part No. 58.323

High precision rotor arm

The rotor arm, which is manufactured in an automated welding process is robust and balanced.

Part No. 82.942 \varnothing 18.5"

HURRICANE FLIP \varnothing 12" FEATURES

High precision rotor unit

DYF swivel with reinforced, self-lubricating bearings made from stainless steel and a carbide sealing for high RPM. New rotor arm design with low profile for cleaning jobs with limited clearance.

Part No. 58.913

Toggle swivel

The proven toggle joint makes easy and effortless cleaning possible. Positioned on the side of the housing, this special design enables cleaning under the vehicle.

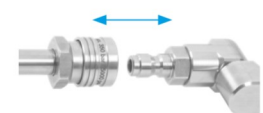

Part No. 42.906

HP-Coupling

The 1/4" quick coupler easily connects or disconnects the wand to the rotor unit for storage purposes or for use with other equipment.

Part No. 70.021 + 70.904

Important: Do not use unprotected!
