

UNDERCARRIAGE CLEANER

TUW - Undercarriage Cleaner

The undercarriage cleaner makes it easier to clean underneath vehicles with a clearance of 7" (*10") and more. The TUW can be used for cars, trucks, agricultural machinery and at construction and shipping companies without using a car lift.

The TUW is time-saving and more cost efficient than other undercarriage cleaning solutions. It is used with cold or hot pressure pumps. Possible throughput medium pH 3 - 12.

- ✓ **pressure up to 4000 psi**
- ✓ **temperature up to 250°F**
- ✓ **complete stainless steel (INOX)**
- ✓ **quality swivel (DYF / maintenance free)**
- ✓ **quality rotor arm (balanced)**
- ✓ **solid construction**

Name	Part No.	ø	Weight	Rotor Arm	Nozzles	HP-Gun	Stainless Steel Wheels
TUW-520	80.611	21"	27.3 lbs	2x 1/8" NPTF	2x 1503	1x	2x ø 4" 1x ø 2 1/4"
TUW-750	80.612	30"	30.8 lbs	3x 1/8" NPTF	3x 1503	1x	2x ø 4" 1x ø 2 1/4"
TUW-520	80.613*	21"	33.3 lbs	2x Stabilizer	2x 0003	1x	2x ø 4" 1x ø 2 1/4"
TUW-750	80.614*	30"	36.2 lbs	3x Stabilizer	3x 0003	1x	2x ø 4" 1x ø 2 1/4"

Inlet: 3/8" NPTF

Mosmatic recommends using the guard plate with the TUW undercarriage cleaner.

TUW-520 Guard plate
Part No. 80.621

TUW-750 Guard plate
Part No. 80.622
