

Powerplay Terrex 3300 is built using best-in-class components that can withstand rugged use from any dirty job you throw its way. Putting the muscle behind the name with Honda Horizontal Shaft GX200 Engine and Annovi-Reverberi High Pressure Triplex pump delivering a flow rate of 2.7 GPM. Engineered for comfort and stability thanks to our anti-vibration system (PAVS), the ergonomic design includes a premium steel frame, oversized 12"x 3" wheels for great maneuverability and on board siphon tube. Terrex can handle any cleaning job from siding and windows to stripping paint or power washing vehicles. Our machines are built to out perform and outlast the competition.
