

PressureJet Electric Pressure washer 1900 PSI is built using best-in-class components that can withstand rugged use from any dirty job you throw its way. Putting the muscle behind the name with a Universal 120V Electric Motor and Annovi-Reverberi High Pressure Axial pump delivering a flow rate of 1.3 GPM. Engineered for longevity and reliability thanks to our Total Stop System and wide track wheels for great maneuverability. PressureJet can handle any cleaning job from siding and windows to power washing vehicles. Our machines are built to out perform and outlast the competition.
