WARRANTY QUALIFICATION:

Prior to obtaining service on your pressure washer, you must, at your own expense, bring your POWERPLAY™ pressure washer and proof of purchase to any dealer in Canada, during regular business hours, who is authorized to sell and/or service that particular product. To locate a dealer near you, please visit www.powerplaywashers.com and select dealer locator.

Each engine in your POWERPLAY™ pressure washer comes with a limited warranty from the engine manufacturer. If your pressure washer needs warranty work on the engine, please visit one of the POWERWERX™ authorized repair centers. The repair center will obtain replacement parts from the engine manufacturer. Lead times and parts availability depend on the engine manufacturer. POWERWERX™ assumes no responsibility for late engine component deliveries.

Pump maintenance should be scheduled according to the POWERWERX™ Owner's Manual.

If you have a malfunction, please visit any one of the POWERWERX™ authorized repair centers, along with your bill of sale.

Pump, chassis and accessories such as the gun, wand, hose and spray tips will not be covered under warranty if treated with abuse or negligence.

Please see below for a complete listing of exclusions:

POWERWERX™ reserves the right to exclude the following from this limited warranty:

- I. Any damage or deterioration resulting from the following:
 - Neglect of the periodic maintenance as specified in the product Owner's Manual
 - Improper repair or maintenance
 - Operating methods other than those indicated in the product Owner's Manual
 - The use of non-genuine OEM parts and accessories other than those approved by POWERWERX™ (other than recommended lubricants and fluids)

POWERWERX™ LIMITED WARRANTY

- Exposure of the product to soot and smoke, chemical agents, sea water, sea breeze, salt or other environmental phenomena.
 - Fuel contamination or deterioration, neglect, unauthorized alteration, misuse, incorporation or use of unsuitable attachments or parts.
 - Normal wear and tear (normal fading of painted surfaces or other natural deterioration).
2. Repairs required because of prolonged storage including damage caused by old or contaminated fuel in the fuel tank, fuel lines or carburetor, sticky valves or corrosion and rust of engine parts.
 3. Please see the engine manufacturers limited warranty for engine warranted items and exclusions.
 4. Instances when normal use has exhausted the life of a component.

The limited warranty set out above is further qualified by the restrictions on usage and related matters as set out in the Owner's Manual. Any violation of the terms outlined in the Owner's Manual shall render this limited warranty null and void and have no further effect.

POWERWERX™ Corporation makes no further warranties or representations, express or implied, except those contained herein. No representative dealer is authorized to assume any other liability regarding the pressure washer.

The duration of the implied limited warranty granted under any provincial law, including warranties of merchantability and fitness for particular purposes are limited in duration to the express duration provided herein.

POWERWERX™ Corporation reserves the right to inspect the claimed defective part or parts to determine if the defect or malfunction is covered by this limited warranty. Within 60 days after receipt of the product, POWERWERX™ will repair or replace the defective product free-of-charge (excluding delivery costs for transport of the pressure washer or replacement parts) if the warranty is deemed applicable.

POWERWERX™ shall, in no event, be liable for direct, indirect, special or consequential damages. Should your pressure washer fail to operate under the terms of this limited warranty, please contact the POWERWERX™ Corporation.
