BENEFITS:

- Formulated for the cleaning professional
- Special heavy duty formula helps remove baked on dirt & grease.
- Quick & easy rinsing.
- Leaves any vehicles surface streak free.
- Dry residual can be easily rinsed off.
- After drying vehicle will be spot free.
- Economical for multi-purpose cleaning.

DIRECTIONS FOR USE:

Before using, make sure that the desired surface is cool to prevent early evaporation. Read MSDS and test in a small inconspicuous area.

Recommended dilutions are 2-6 ounces per gallon of warm water. Consult your local Syntec Representative for specific use instructions. Can also add up to 2-50# pails for a strong aggressive cleaner.

Make sure to use proper protective clothing when applying this or any chemical.
