## MAXIMIZE YOUR INVESTMENT.

When it comes to getting powerful performance at an affordable price, nothing comes close to the Impact 400. Perfectly suited for residential, property maintenance, and small commercial applications (50-100 gallons per week), the Impact 400 applies all standard primers, paints, and architectural coatings with ease. Offering superior features and unmatched performance, there isn't a higher quality, more rugged and reliable sprayer in its class.

## THE MOST DEPENDABLE PARTNER YOU'LL EVER HAVE.

The Impact 400 comes ready to work as hard as you do. Constructed from the highest quality parts, the Impact 400 is built to last. Featuring stronger skid legs for greater stability and a new integrated pump block, we've maximized durability while also maximizing portability. Backed by the industry's longest, most comprehensive warranty, you'll find the Impact 400 sprayer to be the ideal choice for your business.

## ENGINEERED TO LAST LONGER AND PERFORM BETTER.

The Impact 400 sprayer features Titan's no wear cylinder and self adjusting/self compensating Quad+ Packings. Quad+ Packings are field serviceable, never need adjusting and have the proven durability you expect from the Impact Series. This translates to a longer lasting, less expensive, easier to maintain sprayer that delivers top-notch performance for many, many years.

# INTRODUCING THE NEW MEMBER OF THE IMPACT

## EXCEEDING EXPECTATIONS COMES STANDARD.

Business is demanding and you need the kind of performance you get from Titan sprayers. It's time to invest in the expanded features and performance that will make a major IMPACT on your profit margin.
