TITAN™

WHY TITAN ELECTRIC SPRAYERS?

Interior and exterior projects – from kitchen cabinets to the block siding of a factory – are profitable only if the work can be done faster than a simple brush and roller. For that you need the kind of power and reliability you have come to depend on from a Titan electric airless sprayer.

Backed by the most powerful warranty in the industry, our sprayers incorporate the durability and reliability you depend on to get interior and exterior projects done quickly and perfectly the first time. Whether your applications include a closet or a full-scale commercial jobsite, we have an electric airless sprayer designed and built for your needs.

ADVANCED PERFORMANCE

- Our electric airless sprayers, guns, and equipment are built for hard work and long life
- The latest engineering technology ensures ease of use and dependability
- Our electric airless sprayers meet and exceed the expectations of professionals who want to do the job right the FIRST time.

TOTAL RELIABILITY

- Proven technology - you finish every project quickly and profitably
- Superior design and construction maximizes the service life of your electric airless sprayers
- Complete diversity – we have the right equipment for every airless application
- Half a century of getting the job done right – TITAN is the name you trust

UNSURPASSED SERVICE

- Dependable, reliable network of authorized sales and service distributors
- The best customer service in the industry to help you select and maintain your electric airless sprayers, guns, and equipment
- Professional application and service representatives ready to assist you with recommendations and technical support

THE BEST & LONGEST WARRANTY IN THE INDUSTRY

When you purchase TITAN electric airless sprayers or equipment you purchase performance. We stand behind that assurance and are so confident in the quality of our equipment that we offer the best and longest warranty in the industry, including:

- 4-Year Manufacturer's Defects
- Lifetime Brushless Motor Warranty
- Limited Lifetime Motor Warranty
- Lifetime Drive Train Warranty
- 35-Day Satisfaction Guarantee
- Express Parts Program
- WearGuard™ Convenience Program

IMPACT™ SERIES

Maximize your investment with the IMPACT Series.

Business is demanding and you need the kind of performance you get from TITAN sprayers. It's time to invest in the expanded features and performance that will make a major IMPACT on your profit margin. Titan IMPACT airless paint sprayers offer the innovation and dependability a contractor needs to perform tough jobs.

Titan IMPACT Series Paint Sprayer

- Quad+ Packings – designed to wipe abrasive coatings clean during operation, preventing damage to the piston or the main sealing lip
- AutoOiler™ – with the push of a button you deliver oil from the reservoir directly to the packings
- Sureflo™ Pusher Valve lets you release a stuck lower ball valve without using a hammer (available on select units)
- DigiTrac™ Integrated Digital Display (available on select units)
- DuraLife™ brushless HE motor (available on select units)
- EZ Tilt™ cart allows for easy clean-up and faster pail changes (available on select units)
- EasyOut™ fluid section (available on select units)

These high-performance, light, medium, and heavy-duty electric airless paint sprayers are designed for sustained operation on a wide variety of projects, from a single room in a cottage to a warehouse or manufacturing facility. Recommended for serious contractors prepared to invest in long-term performance.

IMPACT™ 440

The IMPACT 440 is ideally suited for residential, property maintenance, and small commercial applications. This high performance electric airless sprayer will apply all standard architectural primers, paints, and coatings efficiently.

- The #1 selling sprayer in the industry is now even better with enhanced features and performance!
- Designed to consistently spray 50–100 gallons per week
- Ideal for applying stains, lacquers, enamels, latex, and other low and medium viscosity coatings

Recommended for small and medium residential and commercial projects.

IMPACT 440

Max. Delivery	.54 GPM
Max. Tip Size	.023"
Max. Operating Pressure	3300 PSI
Weight (skid frame)	42 lbs.

(low rider)	85 lbs.
Motor	2.0 hp

- DuraLife™ brushless HE motor
- AutoOiler™
- Fast removal fluid section

CONFIGURATIONS:

- High Rider 805-007*
- Low Rider 805-008*

*Complete with LX-80® gun, 517 TR¹ reversible tip and 1/4" x 50' airless hose.

IMPACT™ 840

As the projects get more complicated and the work day draws out longer, it's time for the IMPACT 840, a sprayer with more features and versatility for a greater variety of large residential, commercial – and even industrial – applications. This is the sprayer contractors turn to when the time comes to expand their business to tackle major projects.

- Features DigiTrac™ Integrated Digital Display that includes an anti-theft lock
- Fast Removal Fluid Section – T-slot piston and coarse thread make swap-outs quick and easy
- Designed to consistently spray 200–300 gallons per week
- Ideal for applying stains, lacquers, enamels, latex, and block fillers

Recommended for medium and some large residential, commercial and industrial projects where a wide range of coatings – from stains to block fillers – are being applied.

- Low Rider 805-010*

*Complete with LX-80® gun, 517 TR¹ reversible tip and 1/4" x 50' airless hose.

IMPACT™ 1140

For big projects requiring large tip sizes or more than one spray gun operating from a single unit, you can rely on the power and performance of the IMPACT 1140. This workhorse is perfect for large residential, commercial and industrial applications where speed and power are necessary to get the job done faster and with greater efficiency.

- Features DigiTrac™ Integrated Digital Display that includes an anti-theft lock
- EasyOut™ Fluid Section – T-slot piston and release mechanism make removal fast
- Designed to consistently spray 300–400 gallons per week with up to 2 guns
- Ideal for applying stains, lacquers, enamels, latex, epoxies, elastomerics, dry-fall and block fillers

Recommended for applications using up to 2 guns in large residential, commercial, and industrial projects where a wide range of coatings are specified.

POWRTEX™ 1200SF

Electric Piston Airless Texture and Paint Sprayer

- Lightest, affordable airless texture sprayer on the market today
- Designed for ready-mix and powdered texture products.
- Sprays skim coat, level 5 finish; drywall mud in an orange peel, splatter or knockdown finish, and all architectural primers and finish-quality paints
- Heavy-duty bypass valve and submersed inlet fluid section uses ceramic balls for smooth, uninterrupted application of joint compound and other abrasive heavy bodied coatings
- Exclusive fluid section design eliminates the need for wearable cylinder
- Full variable-speed pressure control eliminates pressure fluctuations at any pressure setting
- Automatic speed adjustment adapts to the tip size allowing the pump to run slower – downtime and repair costs are minimized and packing life is increased three times longer
- Comes complete with full-size manifold filter for airless paint spraying

POWRTEX 1200SF TEXTURES

Use of included Splatter Nozzle and user supplied air compressor are necessary for creating textured finishes.

Recommended for steady use by painting, drywall, and texture contractors who apply paint and non-aggregate finishes.

ADVANTAGETM SERIES

**When dependable
simplicity means
affordable profitability.**

Contractors working to build their business want the best value for their hard-earned dollars. That's why we created the TITAN ADVANTAGE Series. These simple, durable, and affordable sprayers are built to work as hard as you do.

Titan ADVANTAGE Series Paint Sprayers

- Designed for simple, user-friendly operation with maximum performance
- Exclusive lifetime warranted DCX Motor is sealed and protected from overspray
- All units feature a time-tested, painter-proven sleeveless fluid section that minimizes repair costs

These durable, high-performance electric paint sprayers are designed for sustained operation on a wide variety of projects – from a single room to a warehouse. Recommended for contractors who want dependability and reliability in a basic and affordable sprayer.

ADVANTAGETM 400

The ADVANTAGE 400 was designed to minimize size and weight without sacrificing performance. We built this unit to deliver .47 GPM – making it the highest performing sprayer in its class and therefore ideal for smaller residential and commercial applications.

- Designed to consistently spray 50–100 gallons per week
- Ideal for applying stains, lacquers, enamels, latex, and other low and medium viscosity coatings

Recommended for smaller residential and commercial projects where a lightweight sprayer has the most practical application.

- High Rider 0552071*

*Complete with G-10 gun, 517 TR¹ reversible tip and 1/4" x 50' airless hose.

ADVANTAGE™ 1100

The ADVANTAGE 1100 delivers over a gallon of coating per minute with 2 gun capability - perfect for residential repaints, new construction, and even large commercial applications.

- Designed to consistently spray 200–300 gallons per week
- Ideal for applying all architectural coatings including stains, lacquer, enamel, latex, block fillers, and elastomerics

Recommended for large residential and commercial projects where larger tips or a 2-gun sprayer capable of handling all architectural coatings are needed.

THE BEST & LONGEST WARRANTY IN THE INDUSTRY

Not only do we deliver high quality sprayers, we are proud to back them up with the best and longest warranty in the industry.

Titan sprayers are built to last. We are so confident that our sprayers will hold up to the most difficult jobs that we offer the best and longest warranty in the industry.

4 YEAR MANUFACTURER'S DEFECT

We pledge that our sprayers are free from defects in materials and workmanship. This excludes normal wear items and consumables such as filters, piston, packings, tips, etc.

LIFETIME DURALIFE BRUSHLESS HE AND PMDC BRUSHLESS MOTOR WARRANTY

If the motor fails for any reason (including wear) for as long as you own the sprayer, we will replace the motor at no cost to you.

LIMITED LIFETIME DCX MOTOR WARRANTY

If the motor fails from normal usage for as long as you own the sprayer, we will replace the motor at no cost to you.

GAS ENGINE WARRANTY

5 year Subaru®, 3 year Honda® and 2 years all others.

2 YEAR TURBINE WARRANTY

LIFETIME DRIVE TRAIN WARRANTY

If the drive train fails from normal usage for as long as you own the sprayer, we will replace the drive train at no cost to you.

35-DAY SATISFACTION GUARANTEE

If for any reason the sprayer does not perform up to your expectations within 35 days, the sprayer can be exchanged for the identical model or full credit towards the purchase of a Titan sprayer of larger size and value.

EXPRESS PARTS PROGRAM

- Over 900 Authorized Service Centers nationwide
- The most common repair parts are guaranteed to be in stock 100% of the time
- If for any reason your preferred Authorized Service Center is out of stock, free 2nd day air is available when ordered by 3:00 pm (EST)
